**UNDER THE CANVAS**  
**CALL FOR ENTRY**

The Brandon Folk, Music & Art Festival takes place **July 23-25, 2010**. We are a local festival with loyal community support and an average attendance of 2500 over the course of the weekend. This year, Under the Canvas will be located just inside the main gates (located at the south end of our site close to the campground), being sure to attract the most traffic possible for all our artists and crafters. We feature a great kids' area, food vendors, on site art installations, daytime music, a series of writing workshops ([wordfest@folkfest](mailto:wordfest@folkfest)) and a rollicking Main Stage evening show. Under The Canvas is a great place for Craftspeople and Artisans to sell, share their work and to have a relaxing weekend under the trees.

**Criteria and Selection**

Under the Canvas features artists who design and produce their own work. Our selection is based on originality and quality. We have had seasoned craftspeople known all over the world and young artists who have made us their first show. All work must be hand made by the applicant/s. We are dedicated to providing an opportunity for craftspeople to sell their work and we will not accommodate importers, people who farm their work out, kits or work that is production line. Please fill out the application form and let us know a little about yourself. We will use what you give us in the program book if you are selected. Anyone found to be selling goods not in their application may be asked to remove those items. Thank you so much for your understanding regarding our decision to remain a **hand-made only** craft market.

This year we are continuing with our Crafter's and Audience Choice awards. We are asking each Crafter/Artisan to choose one of their pieces for competition. Each piece will be displayed at a special display table and festival goers will vote for their favourite piece. In a separate vote the crafters themselves will vote for their favourite piece. We think this is not only a way to celebrate the quality and creativeness of our Artists but another way to draw people Under the Canvas!

**Fees and Services**

The fees to participate range from \$35-\$100 depending on the space you require. Please see the attached schedule for more specific information. Fees includes 2 general admission passes, discount on any other passes you may need for helpers or family members, booth space as described in fee schedule, promotion on our website and in our program book, rental of a table and two chairs and the opportunity to purchase backstage meal passes. Unserviced camping is available on site, food booths during festival hours, restaurants and grocery within ten minutes walking distance as well as a number of hotels. There are a limited number of spaces available for camping, so if you wish to do so please let us know with this application so that we can set aside passes for you now.

**Applications are due by June 4th, 2010**

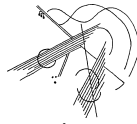

Please include:

- Completed application form
- A few (2-3) good photographs of your work. These do not have to be professional quality photographs. We just want to see your work.
  - Payment by cheque or money order for your booth fee and any extra passes. Payments will be returned to applicants who are not accepted.
- A description of how your items are made and a self-addressed stamped envelope for those who would like their photographs returned.
  - 2 signed copies of the contract

If you have any questions, please contact the festival at [underthecanvas@gmail.com](mailto:underthecanvas@gmail.com)

We look forward to receiving your application.
